## Loading Dock Procedure

---

### Arrival procedure

#### Step 1: Unload

Once the exhibitors arrive at the loading dock, they must unload their items onto a cart. After their items have been removed from their vehicle, they should be placed either in the loading dock area or the vicinity of their booth. **NOTE: Vendors with smaller setups that can be brought in by cart or carried, PLEASE USE Queen St curbside entrance or load in through lobby via attached Penn Square parking garage.**

#### Step 2: Park

Exhibitors must return to their vehicle and move it to the authorized parking area. Vehicles are to be removed from the loading dock before exhibitors spend time "arranging" or "setting up" their booth. Vehicles may not be left in the loading dock area for any reason except for loading and unloading.

### Departure Procedure

#### Step 1: Pack Up

At the designated conclusion of the show, exhibitors will begin to promptly pack up the items at their booth space. Please ensure all items are secured via shipping boxes, containers, plastic wrap or other means as appropriate for your items. If you require assistance with getting your shipping crates or containers brought to from your booth, please ask the convention services staff.

#### Step 2: Visit Loadmaster

A designated member of venue security (Loadmaster) will be on hand near the large roll-up door in Freedom Hall. Once your items are packed, please visit the loadmaster and inform them your booth is completely packed up. The loadmaster will check to ensure everything is ready. Once verified, the loadmaster will instruct you to bring your load out vehicle into the Christian Street loading dock area.

#### Step 3: Visit Dock Coordinator

A designated member of venue security (Dock Coordinator, may be same person as load master) will be on hand in the Christian Street loading dock area. When you bring your vehicle into the loading dock area, The Dock Coordinator will instruct you where to park your vehicle. Once parked, you must promptly load out your items to your vehicle and then depart the property. There are many vendors waiting to load out and a sense of urgency is required on your part to make this a smooth process.
